Sir:

Assignee, Harris Corporation, having a mailing address of 1025 W. NASA Blvd., Melbourne, Florida 32919, verifies through its duly authorized representative that it is the owner of all right, title and interest in United States Patent Application Serial No. 10/828,585 (hereinafter "the '585 Patent Application") and has remained owner of all right, title and interest from the time of filing the original Assignment to the present. The Assignment was recorded on April 21, 2004, at Reel 15252, Frame 144.

Assignee hereby disclaims, except as provided below, the terminal part of any patent granted on the '585 Patent Application which would extend beyond the expiration date of the

full statutory term defined in 35 U.S.C. § 154 to § 156 and § 173 of any patents granted on co-pending applications 10/828,690 and 10/829,095. Petitioner hereby agrees that any patent so granted on the '585 Patent Application shall be enforceable only for and during such period that it and the '690 Patent Application or '095 Patent Application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the Grantee, its successors or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. § 154 to § 156 and § 173 of the prior patent, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term.

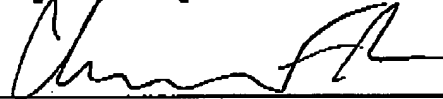

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
